

Sunpark DC314D LED Ceiling Mount

Sunpark DC314D LED Ceiling Mount. The DC314D is ideal for indoor applications at residential and commercial locations. This fixture is suitable for bedrooms, dining rooms, laundry rooms, conference rooms, rec rooms, offices, hallways, and much more! The circular fixture is ideal for dry locations. The fixture provides excellent light distribution and uniformity by using a high transmission acrylic front pane and a semi-clear white decorative fiber optic shade. White fiber optic shade allows for color matching multiple finishes throughout the home or business. Multiple lighting color temperatures give users options for different applications while maintaining the same aesthetic. Installation is traditional, quick and easy.
