

Sunpark MDF030D-62 Decorative LED Wall Sconce

Sunpark MDF030D-62 Decorative LED Wall Sconce. The MDF030D-62 is ideal for indoor applications at residential and commercial locations. This fixture is suitable for kitchens, dining rooms, bathrooms, laundry rooms, pantries, offices, hallways, and much more! The circular fixture is ideal for dry or damp locations and provides uniform light distribution. Multiple lighting color temperatures give users options for different applications while maintaining the same aesthetic. The slim protruding dimension for this wall mounted fixture makes it ADA approved (no more than 4" from wall). The satin nickel finish is also available with Sunpark's vanity lights and wall sconces, so the aesthetic of your home between rooms will be cohesive. Installation is traditional, quick and easy.
